C. V. Massey, Esq.,

Dean, Burwash Hall.

Dear Mr. Massey:

I enclose a letter from Mr. Hilliard which explains itself. I told him that I would ask you to look into the matter and have his request attended to without undue prominence. Perhaps it would be well to have some one else than Dr. Barton do the examining. As Captain of his Company would you have it in your power to arrange this?

I am,

Yours sincerely,

President.
